

YOU'RE HIRED

Intec Business Colleges & The National Apprenticeship Service work in partnership to promote Apprenticeships to employers to ensure as many as possible are undertaking an Apprenticeship.

The Apprenticeship programme enables young people and adults at work to develop their occupational competence and gain a nationally recognised qualification.

Recruiting young people is essential for companies to grow the next generation with the right, and in some cases, unique set of skills to carry their business forward.

Employers are increasingly realising the need to develop their staff often to help meet new or changing skills needs or to ensure that vital in-company expertise.

Over 130,000 companies offer Apprenticeship places because they understand the benefits that Apprentices bring to their business:

- Increased productivity
- Improved competitiveness
- A committed and competent workforce
- Motivated staff
- Cost effective, relevant training

Apprenticeships ensure that your workforce has the practical skills and qualifications your organisation needs now and in the future.

The Apprenticeship Online Vacancy Matching Service is the official online recruitment system for Apprenticeships in England. It allows candidates to search for your vacancies using selected criteria such as geography, occupation and job role.

Intec Business Colleges co-ordinates the applications on your behalf and supports you throughout the process to ensure you find the right candidate for your business needs.
